

Datacard Template

Datacard Notes

1. Scratch-off panels and signature strips can be 40mm x 8mm, 75mm x 10mm and 85mm x 12mm.
2. Scratch-off panels and signature strips must be kept within the grey area above.
3. Numbering can be positioned anywhere on the card (Numbers are printed in black).
4. Remove the dotted line and grey boxes before sending your completed artwork, they are for your benefit to aid laying out.
5. Any background colours or images must go to bleed (the outer border, size of 91mm x 60mm).
